Bright futures

- £5.00 Membership
- Increase employability for students and are willing to work with other Activities & staff (Careers).
- Event networking, face to face, CV workshops, national brand with back up.
- What distinguishes you as unique? Forward thinkers, students don't know how to get involved & get started; they want to bring students together
- More variety, get students out of comfort zone.
- How are you going to help drama/engineering? Siemens have approached them, law firms, financial companies; we want to branch out students to get higher aims.
- Do you get an award?
- Is it accredited? No, however students get good connections and promotional materials.
- Also get the opportunity to attend events for awards etc.
- What separates you from the University department (carers)?
- The University want the society to help promote the service and work in conjunction with them. The students might approach the society more than staff as they can relate better.
- Are you charging £5 to members to just help Uni? No we are working together and also being involved in the employability fayre. It is less formal with the society.
- What makes you stand out? We want to work together with all activities to make it work.
- Where is your core membership? We want to enhance the society and events & help promote them. Encourage students to come forward and get involved in larger events together.
- What contacts do you have? SCA IBM Banks Tellers Computer Science Graduate positions Civil Service fast rooms.
- A committee member commented it would be a good opportunity for students.
